Dear Judge Salas:

We are counsel to non-party AstraZeneca and write regarding the Court's October 15, 2010 Order (the "Order") compelling Teva to produce copies of certain settlement and license agreements to Novartis.

AstraZeneca is a party to certain of these settlement and license agreements named in the Order. Pursuant to Paragraph 3 of the Order, AstraZeneca has seven days to file any objections to Teva's production of these agreements with the Court. AstraZeneca objects to the production of these agreements, but requests a brief seven (7) day extension to more fully lodge its objections with the Court. We have been in contact with counsel for Novartis, the party seeking disclosure of these documents, and Novartis consents to AstraZeneca's request. As a result, we respectfully request that the Court so order same.

Respectfully submitted,

*s/John E. Flaherty*
